Michigan Web Account Manager

Introducing MiWAM

The Michigan Web Account Manager (MiWAM) is the Unemployment Insurance Agency's (UIA) new and improved system for managing your unemployment account electronically. MiWAM replaces the Claimant Web Account Manager (CWAM) and makes doing business with the UIA simpler, faster and more efficient. The new MiWAM is more visually appealing and user-friendly.

MiWAM allows you to perform routine transactions such as filing claims, certifying for benefits, viewing correspondence, and updating your unemployment claim information online. The system is accessible 24 hours a day, seven days a week.

For claimants, managing your account online is secure, more accurate, processes quicker, and it allows for more real-time interaction with UIA staff. For the Agency, MiWAM helps lower the costs of processing certifications, decreases paper and scanning costs and reduces keypunching and other errors.

What You Can Do With MiWAM

- File a Claim
- Report for benefits
- Change Contact Information and Contact Method
- Respond to Fact-Finding
- Submit protest and appeal
- Make a Restitution Payment
- Request a Waiver for Financial Hardship

UNDERSTANDING TABS IN MiWAM

Within MiWAM, you will see many Tabs and Sub-Tabs.

Tabs are used to organize information on a window. Each tab, in turn, can have multiple sub-tabs. Click a tab to display information corresponding to the tab label. When a tab is selected, its corresponding sub-tabs are then displayed beneath the selected tab.

Sub-tabs may display a superscript number. This number indicates the total of all items listed in that Sub-tab. For instance, in the Figure below, the "1" superscript on the Claims sub-tab indicates that there is one claim.

The screenshot shows the MiWAM interface with several tabs: CLAIMS¹, ACTIVITIES⁰, NOTICES, LETTERS⁰, and CLAIMANT S. A red arrow points to the 'CLAIMS' tab, labeled 'Tab'. Below the 'CLAIMS' tab, a sub-tab 'MY CLAIMS¹' is highlighted, with a red arrow pointing to it labeled 'Sub-Tab'. Below the sub-tab, a table titled 'MY CLAIMS' is displayed with the following data:

FIND A SAVED CLAIM

MiWAM allows you to save your claim and complete it later during the same calendar week. The **Save and finish later** button is displayed at the top and bottom of each page. You will receive a confirmation number and a claim filing number. Click the [“Find a Saved Claim”](#) link to complete the claims filing process before 11:59 PM on Saturday so your claim will be considered timely. Please note-MiWAM will timeout after 15 minutes of inactivity, for security reasons.

Click the link for [“Step 1-Provide Identification Information”](#) to begin filing your claim. There are 7 steps in the claims filing process. You must complete all 7 steps.

Step 1: Provide Identification Information << START HERE

The screenshot shows the 'IDENTIFICATION INFORMATION' form. At the top right are buttons for 'save and finish later' and 'Cancel'. Below the title, a note states: 'Yellow boxes indicate information is required. A green box indicates optional information. Federal and state laws require that certain types of information be provided upon request for statistical and Unemployment Insurance program purposes. The information you provide to the Unemployment Insurance Agency concerning your claim for unemployment benefits is confidential and will be used only by public officials performing their duties.'

The form is divided into sections:

- Social Security Number:** Includes fields for 'Social Security Number' and 'Confirm Social Security Number', both with green boxes. Below them is a question 'Have you worked under more than one Social Security Number?' with 'Yes' and 'No' buttons.
- Name Information:** Includes fields for 'Last Name' (containing 'SMITH'), 'First Name' (containing 'JOHN'), 'Middle Name', 'Suffix', and 'Additional Last Name', all with green boxes.
- Driver License / State ID:** Includes fields for 'Driver's license or state identification number' (containing 'S1212121212') and 'Issuing state of your driver's license or state ID' (containing 'MICHIGAN'), both with green boxes.

At the bottom, there are buttons for 'Return to Summary' and 'Go to Step 2: Demographics'. The 'Go to Step 2: Demographics' button is highlighted with a red box and a red arrow pointing to it. At the bottom right are buttons for 'Save and finish later' and 'Cancel'.

At the bottom of each page, the **Return to Summary** button is displayed. This button allows you to return to any step within the process at any time prior to submitting the claim. The completed steps are identified by the green checkmarks as indicated in the example on the following page.

Michigan Web Account Manager Filing a New Claim

continued from page 12

Once you complete **all** 7 steps you will see the following screen. The **Submit** button will only appear after **all** 7 steps have been completed. You must click the **Submit** button to receive a confirmation number. A red **X** displayed next to a step will indicate an error that needs to be corrected or the step has not been completed.

This application allows you to file a claim for unemployment benefits online. A claim cannot be filed early. Filing today means your claim will begin this week unless you request previous weeks.

You will be asked a series of questions. Based on your responses, you may be asked to answer additional questions to complete your application. Click on the blue text to complete each step. You can return to completed steps to correct or change information. Benefits will not be allowed on an incomplete application.

Give complete and honest answers. The law provides severe penalties of fines, imprisonment, damages, and/or community service for anyone who intentionally gives incorrect information or hides information to obtain or increase benefits. If you are using an interpreter or someone is helping you, that person should enter only your responses to a question. You are responsible for responses given, the person helping you cannot be held liable.

There are 7 steps to the application that must be completed. If you do not get a confirmation number, your claim has not been completed.

Responding to Fact-Finding

There are two ways to respond to the Agency's request for fact-finding. When you log into your MiWAM account, just click on the link indicating that additional fact finding is required.

The screenshot shows the top navigation bar with tabs: CERTIFICATION, NOTICES¹, ACTIVITIES⁰, LETTERS⁹, ATTRIBUTES, CLAIMANT SERVICES, and DETERMINATIONS. Below the tabs is a 'WEEKS' section. A 'REQUIRES ATTENTION' banner contains two messages: 'You have benefit weeks that have not been certified. Click Here to Certify' and 'Additional Fact Finding is required for your claim. Click Here to Respond'. A red arrow points to the 'Click Here to Respond' link.

You can also click on the **DETERMINATIONS** Tab, click the Fact Finding sub-tab and then click on the link to add the required fact finding.

The screenshot shows the 'DETERMINATIONS' tab selected in the top navigation bar. Below it, the 'FACT FINDING' sub-tab is selected. A table lists fact-finding items. The first row is 'Generic Availability' with a status of 'Required' and a claim ID of 'C0027228-0'. A red arrow points to the 'Add' button next to the 'Required' status.

Fact Finding	Status	Employer	Claim ID
Generic Availability	Required		C0027228-0

Complete the required fields and click the submit button. You will be required to enter your UIA Web Password to authorize the submission. You can find this questionnaire under the **Activities** tab.

The screenshot shows the 'GENERIC AVAILABILITY - QUESTIONNAIRE' form. At the top are buttons for 'Submit', 'Save and finish later', and 'Cancel'. A yellow warning box states 'MiWAM will time out after 15 minutes of inactivity.' Below the title bar, the 'ISSUE DETAIL' section shows 'Issue' as 'Availability' and 'Fact Finding' as 'Generic Availability'. The 'QUESTIONNAIRE' section contains two questions: 'Enter the date you began to limit your availability for work.' with a date input field and a 'Required' label, and 'Are you currently available for full time work?' with 'Yes' and 'No' radio buttons. At the bottom are buttons for 'Submit', 'Save and finish later', and 'Cancel'.

Reoccurring Payment

The Unemployment Insurance Agency allows you the ability to schedule reoccurring payments. A reoccurring payment is a scheduled payment processed monthly toward a Debt.

Payments can be stopped up to one business day before your monthly payment date. Once you stop a payment you will need to schedule a new reoccurring monthly payment plan if you would like monthly payments to resume.

Choose the date that you would like your payment processed. Payment processing will happen on the same date each month and will be based on the date of your first payment.

Date of First Payment:

08 Jul 2013

In order to prevent your account from entering a delinquent status, your monthly payment should be equal to or greater than your minimum monthly payment due as listed on your most recent Monthly Statement notice.

Monthly Payment Amount:

50.00

Select whether you would like to choose the number of payments to be made or continue withdrawal until your balance is zero:

☐ Choose number of payments

☒ Withdraw until balance is zero
